

CITROËN C1

Designed by **Le TONE**

1934

CITROËN revolutionises the automotive landscape with the Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

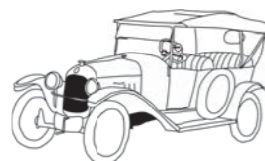

2014

CITROËN C4 CACTUS is launched, incorporating the innovative AIRBUMP® protection system.

During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

1919

The pioneering CITROËN Type A enters mass-production.

1939

CITROËN launches the 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous type H in 1948.

1948

The much-loved 2CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

1968

It's a golden age for light and agile vehicles like the Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

1974

The 70s and 80s see CITROËN technology triumph, with models such as the AX, BX, CX and advanced XM, a prestigious vehicle equipped with Hydractive suspension.

2015

Winners of the manufacturer's Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers' Champion four times in a row; eight manufacturer's Champion titles in WRC plus two in WTCC ... CITROËN continues to demonstrate its exceptional motorsport pedigree, year after year.

SIMPLY IRRESISTIBLE

Weaving through the city streets, CITROËN C1 has the style, poise and charisma to stand out from the crowds. Its dynamic profile is available in 3 and 5 door versions and also as a soft top Airscape. The CITROËN C1's strength of personality begins with its unmistakable face. A distinctive vertical light signature features LED daytime running lights, allowing its engaging character to shine through at a glance.

SPACE EFFICIENCY WITH 3 OR 5 DOORS

Just 3.46m long, 1.62m wide and 1.46m high, CITROËN C1 is compact enough to take full advantage of urban spaces. Meanwhile, inside there's plenty of room for 4 adults to relax in comfort.

[3M46]

VIBRANT PERSONALITY

The bold lines and sleek surfaces of CITROËN C1 are perfect for making the most of colour. There are eight to choose from, including Caldera Black, Gallium Grey, Carlinite Grey, Smalt Blue and Lipizzan White, Blue Lagoon, Scarlet Red and Jelly Red. You can celebrate contrast too, by going two-tone, which means combining your perfect shade with a roof finished in Blue Lagoon, Gallium Grey or Caldera Black. Airscape versions can also be specified with a contrasting colour for the convertible roof.

— EFFORTLESS COMFORT

Every aspect of CITROËN C1 has been created to make city driving a real pleasure. With comfort in depth and perfectly placed controls, there are plenty of clever storage spaces and a roomy accessible boot. Beyond the city limits, you'll really begin to appreciate its surefooted road holding and relaxing ride.

EVERY JOURNEY'S
AN ESCAPE

CITROËN C1 Airscape brings you the thrill of soft top driving. With a sliding canvas roof that measures a generous 800mm x 760mm, you can open and close it at the touch of a button up to 70MPH, so savouring the fresh air is easy. The canvas roof is available in 3 stylish colours: Sunrise Red⁽¹⁾, Grey⁽²⁾, and Black⁽³⁾.

4M80

A PERFECT CIRCLE

CITROËN C1 is naturally agile and perfectly compact, so it's easy and enjoyable to drive and manoeuvre, wherever you go. One big advantage is its small turning circle – just 4.8m - which combined with electric power steering gives you a great balance of pleasure and precision.

196 L

EASY ACCESS SPACE

Every part of CITROËN C1's welcoming interior is designed to make life easier. The boot is a perfect example. Open the tailgate and the rear parcel shelf lifts out of your way, revealing a well shaped 196 litres of load space. Fold down the split bench rear seat and you'll have 780 litres of easily accessed space to use.

CITY LIFE OPTIMISED

Packed with clever storage compartments and equipment, CITROËN C1 is shaped for urban living. There's a cup holder, a glove box big enough to take a 1 litre bottle, the bright, clear 7 inch touchscreen and steering wheel mounted controls. To maintain complete comfort, there's automatic air conditioning available and 3 door models also have front seat position memory for hassle free access.

RELAXING FROM THE START

Wherever you drive, CITROËN C1 is a relaxed and safe place to be, thanks to 6 airbags and ESP as standard, tyre pressure monitor and speed limiter*. The feeling of effortless control begins with keyless entry and start*, which allows you to get in and go without removing the electronic key from your pocket or bag.

**Available on certain models.*

SAFE
PROGRESS

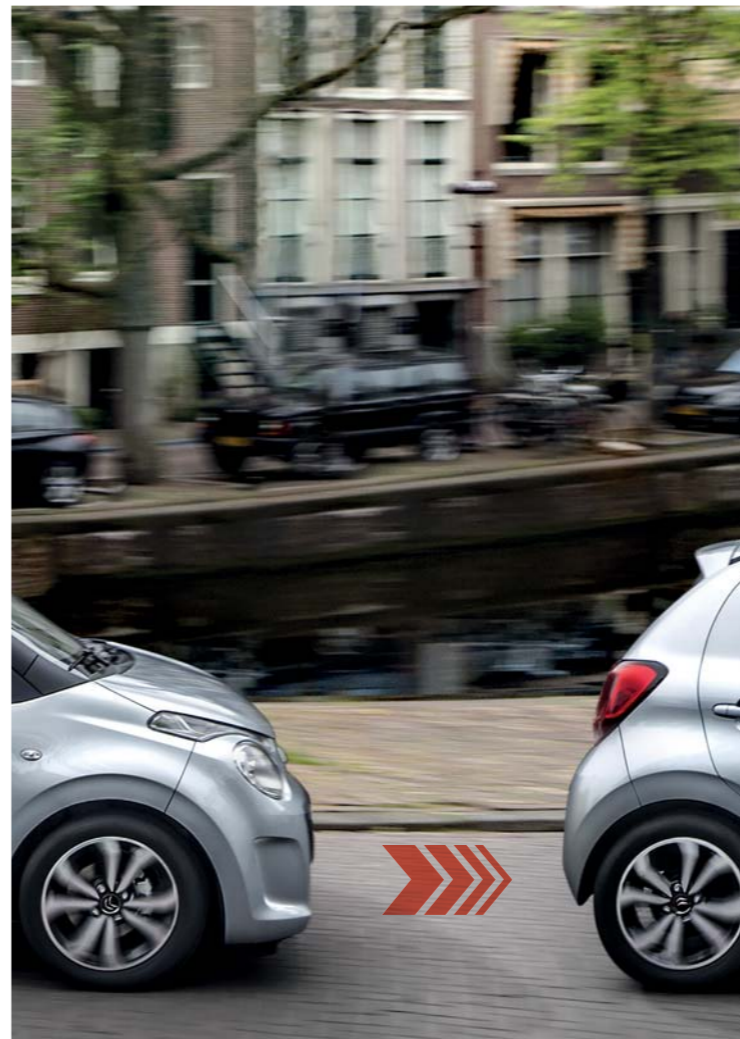

HILL START ASSIST

Standard on CITROËN C1, Hill Start Assist holds the car for 2 seconds when you pull away on steep inclines, allowing you to make safe, smooth progress.

REVERSING CAMERA

Helping you to achieve precise, bump-free parking manoeuvres in the tightest spaces, the reversing camera displays clear images on the 7 inch touchscreen.

ACTIVE CITY BRAKE

Using the screen mounted camera, Active City Brake applies the brakes automatically if it senses an imminent collision with a vehicle ahead during town driving up to 20mph.

LANE DEPARTURE WARNING SYSTEM [LDWS]

If the car crosses a solid or intermittent white line without the indicator being used, Lane Departure Warning System automatically alerts the driver with both aural and visual signals.

ECONOMY, EFFICIENCY, ENJOYMENT

Every CITROËN C1 blends serious economy with efficiency and drivability. It's a combination of advanced design and low weight, ultra-low rolling resistance tyres and the latest engine options. The VTi 68 engine has a smooth 5-speed gearbox with exceptionally low fuel consumption and CO₂ emissions. The innovative and lively 3-cylinder 1.2 litre 82bhp petrol engine achieves up to 65.7mpg and 99g/km, yet accelerates from 0 – 62 mph in less than 11 seconds. When it's time to escape the city, CITROËN C1 is ready to go!

The CITROËN C1 engine range produces CO₂ emissions from just 95g/km.

Fuel efficiency is a speciality, with consumption up to 68.9mpg.

The PureTech 82 engine achieves 0 – 62mph in less than 11 seconds.

All CITROËN C1 engines meet Euro6 regulations.

CITROËN CARE

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

• CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. Full details are available at citroen-uk-en.custhelp.com

• CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by VOSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free outstanding manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars. ** Against all internal to external perforation to bodywork or underbody.

EQUIPMENT SPECIFICATION

To make choosing straightforward and enjoyable, we've worked hard to ensure that the information in this brochure is accurate at the time it was created in December 2016. It's important to remember that Citroën can introduce changes to the equipment and accessories featured, although these wouldn't alter the essential character and design of the models. Naturally the images and specifications are also dependent on trim level and any options included.

We know how important it is to present the right facts and figures, so our brochures are regularly updated, however it is important that you consult your dealer when ordering your vehicle to ensure you are advised of the latest specifications and equipment.
